Æthelflaed/Miciah

Event bid has been submitted by Miciah. Event may be cancelled by the current plague in the Kingdom. Will wait & see what happens & discuss again at the next meeting. Jochen has agreed to do bookings, Maelgwn will send him login details. Heavy/rapier to be sorted closer to the date, depending on numbers. Ælfred has agreed to be Rapier Marshal if necessary.

Flametree Bid motion put forward, Seconded, all were in favour, motion passed, no dissent.

#### Adoran Equipment

Æthelflaed

General discussion on Adoran Heraldic equipment. Establish some long term goals. Including, but not limited to, pennants, tables, banners, bench seats, etc. Proposal was put forward to have sewing days maybe every second month at a Scout Hall somewhere.

#### Cold War

There has been a bid submitted for Cold War 2020. Proposed date is 31 July/2 Aug, the Girl Guides Hall site has been booked. It's possible that there may be larger than normal numbers due to enthusiasm after the plague has dropped off. More details are to be organised as we get closer to the date. It was noted that we should keep the archery activities away from the Heavy/Rapier activities, either by timing or by physical distance. The murder game has been a success, and will be run again by Lord Miciah of St Malachy. There will be prizes.
