Jochen Schwalbe07/07/2019

Maelgwn ap Merlin07/07/2019

Are we all good?

Flametree Ball

Lord Brian has done paperwork

Waiting for sign in sheets, to finish off the event

All repayments have been made.

Jochen Schwalbe07/07/2019

Nothing else of note out of flame tree that I know of
If anyone knows where the Kneecops are please advise Maelgwn

Ælfred se leof07/07/2019

poncho

Jochen Schwalbe07/07/2019

Awesome
None from me

Maelgwn ap Merlin07/07/2019

Loaner gear: we have some elbows & knees (3-piece articulated cops), Adora has been given buckles & leather. Once I get hold of them, I will start to make them work.

I'd like to, as a plan, make the loaner more One-size fits most, in an effort to get more people fighting

One set of 3-piece knee cops has gone missing, we need to find them

I make a motion to buy two roller suitcase from a local op-shop as better storage/transportation of the loaner kit. Seconded?

Æthelflædofthewildseas07/07/2019

I second the purchase of bags from vinnes.

Jochen Schwalbe07/07/2019

back online

Maelgwn ap Merlin07/07/2019

Would someone please pass the motion, or if you don't want it to go ahead please say so now

Jochen Schwalbe07/07/2019

I pass the motion to buy suitcases from Vinnies. Also happy to donate a suitcase that we have that may/may not be suitable

ok

Maelgwn ap Merlin07/07/2019

Adoran gear is in a temporary location at Ragnar's. When he says it **MUST** go, we need to find a new home for it. Unless & until that time, we keep discussing it, and hope that we find something a little more permanent.

Jochen Schwalbe07/07/2019

yep

titus first

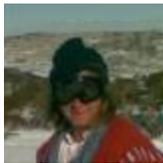

Titus Flavius Marcellus07/07/2019

Titus has two of the war scutums, one assembled, one needing a boss, and an assortment of smaller strapped shields

Maelgwn ap Merlin07/07/2019

Titus & Maelgwn to organise getting Adoran sheilds to next monthly meet up, either by Titus coming along direct, or by organising to get them there.

Jochen Schwalbe07/07/2019

I second shield Boss

Maelgwn ap Merlin07/07/2019

Maelgwn make a motion to get another shield boss from Alfar
Cost \$50 from Alfar if he has any in stock

Faolan de Adora07/07/2019

I'm going offline for a second will be back

Maelgwn ap Merlin07/07/2019

If any one says no, please say so now.

Ælfred se leof07/07/2019

Shield boss motion passed.

Faolan de Adora07/07/2019

Maelgwn ap Merlin07/07/2019

Anneke & Jochen went to site
Checked out site issues
New oven & BBQ's
Planning & organising happening at the moment
Maelgwn is doing bookings
Aethelflaed is doing the feast on Sat night
Camping & parking areas are under control & organised.
Sire has been improved since last time
*site
Firewood may be an issue, we should probably get it sorted beforehand
Roughly 20 bookings
Roughly 25 people
I process every weekend, to bring them up to date

Jochen Schwalbe07/07/2019

Maelgwn ap Merlin07/07/2019

Jochen Schwalbe07/07/2019
All good

Æthelflædofthewildseas07/07/2019

Jochen Schwalbe07/07/2019

yep
sounds good

Maelgwn ap Merlin07/07/2019

Maelgwn & Gwenhwyfar are starting a regular monthly meet-up of fighter training & A&S in their local area as it's roughly halfway between Wollongong proper & Eurobodalla Hamlet. Normally a pot-luck lunch in the local park, hopefully it will grow & help the Shire prosper.

Jochen Schwalbe07/07/2019

all good from me

Maelgwn ap Merlin07/07/2019

We had 8 people yesterday & it was extremely productive. We have a new authorised fighter as well as a representative of the COLlege
College of St Malachy, improved & upgraded & improved his leg armour
Titus tenure as Seneschal ends in 2 months

Jochen Schwalbe07/07/2019

Yay

Maelgwn ap Merlin07/07/2019

Aethelfled has taken on the role of Deputy Seneschal, in the hopes to become Seneschal once Titus steps down

Titus will be stepping down at the end of September

Titus Flavius Marcellus07/07/2019

I will be calling for applications for the role as seneschal shortly, have a commentary period, and then send that off to the kingdom seneschal for approval, then from there the new seneschal will take on the role at the end of september

Maelgwn ap Merlin07/07/2019

Adoran website has been updated & upgraded. If you have any feedback, please let the Webwrioth Lady Gwenhwyfar know, and between her & her Deputy, they'll get it sorted.

Please check the lonks if you can. It would be nice to get everything working proper.

Faolan de Adora 07/07/2019

yep

Ælfred se leof 07/07/2019

Okay by me.

Faolan de Adora 07/07/2019

I would like to start doing some displays at local high schools in an effort to recruit

Ælfred se leof 07/07/2019

Can we meet at Cold War?

Jochen Schwalbe 07/07/2019

I'm going to suggest the weekend after cold war

Faolan de Adora 07/07/2019
after cold war makes more sense to me

Jochen Schwalbe 07/07/2019
