ITEMS	STATUS	NOTES
<p>Torso armor (metal, leather)</p> <p>Amount: 3</p> 	<p>Loaner gear</p> <p>Loaned:</p> <p>Lord Aodhan (Gong Prac)</p> <p>Ownership: Shire of Adora</p>	<p>Condition:</p> <p>A and C need a good scrub and de-rust.</p> <p>B is in good condition.</p> <p>Straps are all decent.</p> <p>Recommendations:</p> <p>All edges need to be checked for sharpness. Alterations to extend sides on A and C with sole leather to turn it into L/XL protection.</p> <p>Add foam to make it playable without thick gambeson requirement. Paint jobs.</p> <p>B. Will be recut and rehinged.</p>
<p>Leg armor (Gothic knee's and uppers, mild steel metal)</p> <p>Amount: 1</p>	<p>Loaner gear</p> <p>Loaned:</p> <p>Lord Aodhan (Gong Prac)</p> <p>Ownership: Shire of Adora</p>	<p>Condition:</p> <p>Needs a good scrub, proper treatment and oiling required. Very solid, heavy. Needs to be re-padded, leather straps OK. Otherwise excellent conditions.</p> <p>Recommendations:</p> <p>Will be handed over to Angus of Adora for de-rust treatment and oiling. New arming tether cords,</p>

clean up leather straps. Re-pad.

Rattan swords

Amount: 5

4 Plastic basket hilt

1 Steel basket hilt

Loaner gear

Loaned:
 Lord Aodhan (Gong
 Prac)
 Lord
 Maelgwyn/Drystan
 (Wandi prac)

Ownership: Shire of
 Adora

Condition: A, B

Rattan is in decent condition. Basket
 hilts are solid. Tape is old/bit
 scrappy. Lanyard is good. Both are
 mid-length, good weight, not much
 pulping.

Recommendations: A, B

Redo tape on the blade. Repaint
 basket hilts. Add stabbing tips with
 a leather top. Otherwise ready to
 use (no stab, not tournament ready)

Shields (Tower)

Amount: 2

Loaner gear

Loaned:
 Lord Aodhan (Gong
 Prac)

Ownership: Shire of
 Adora

Condition:

Shield A needs a scrub, and de-rust
 of both bosses. Edging missing or
 very damaged on both, mild
 splintering in some minor areas.
 Straps are looking a bit sad on both.
 Very good weight, very sturdy and
 no rot. Some metal exposed in the
 handle area in A.

Recommendations:

		<p>Repaint A, touch-up B (leave existing artwork). Redo edging on both: either hose-pipe/cord quick fix, or aluminum edging. Replace nails, or grind/smooth over sharp metal protrusions near the handles, sand off any splintering wood, possible pad over with foam to eliminate hazards.</p>
<p>Shield (Heater)</p> <p>Amount: 1</p> 	<p>Loaner gear</p> <p>Loaned:</p> <p>Lord Aodhan (Gong Prac)</p> <p>Ownership: Shire of Adora</p>	<p>Condition:</p> <p>Basic. Wood is still good and sturdy, heavy, and the handle is decent. No rot. Edging will hold but is a tad shoddy from exposure to elements. Some exposed wiring used for edges, may prove a hazard for eyes. Wouldn't recommend for immediate use, but has potential.</p> <p>Recommendations:</p> <p>Repaint job (Adora Crest). Redo the edging entirely: leather, hose, and aluminum railing (A heavy shield, but will become good for war and condition training). Fresh leather for the handle, shield mit covering.</p>
<p>Gambeson</p> <p>Amount: 1</p> <p>Description:</p> <p>Black and yellow, Large/XL. Old Medieval Fight Club gambeson design.</p>	<p>Loaner gear</p> <p>Loaned:</p> <p>Lachlan (Shire of Adora member, contact Alexis for details)</p> <p>Ownership: Shire of</p>	<p>Condition:</p> <p>Recently washed, one button popped. Very good condition.</p> <p>Recommendations:</p> <p>Button sewed back on. Otherwise nil.</p>

	Adora	
<p>Sole leather Gorget</p> <p>Amount: 1</p>	<p>Loaner gear</p> <p>Loaned:</p> <p>Lord Angus of Adora</p> <p>Ownership: Shire of Adora</p>	<p>Condition:</p> <p>Very good leather, sturdy. Leather still good. Good to go.</p> <p>Recommendations:</p> <p>None.</p>
<p>Helmets (Stainless Steel)</p> <p>Amount: 2</p> 	<p>Training and Loaner gear</p> <p>Loaned:</p> <p>N/A</p> <p>Ownership: Lord Aodhan of Adora</p>	<p>Condition:</p> <p>Helmet A is in good condition, internals need re-padding and new strapping. Very heavy, for L/XL heads. Helmet B face mesh is non-suitable for full calibrated combat due to neck gaps and mesh weaknesses (reviewed and approved for training, not for tournaments or war). Bascinet part is in excellent condition. Needs repadding and re-strapping, new face mesh.</p> <p>Recommendations:</p> <p>A needs some minor work, suitable for heavy/larger and fighters. B requires major work to make a suitable: suggestions are a wolf-rib bar style. Would suit a S/M fighter.</p>
