Midrealms: The meet-ups held on the 11<sup>th</sup> and 25<sup>th</sup> of June were attended by 7 and 8 adults, respectively. At both of these meet-ups a merry time was had by all, including a lesson in the "Black Allemande" given by Micha. The last meeting had 6 adults. Midrealms are consistent, if low on numbers. Gwenhwyfar is slowly bringing Malachy items for redistribution. There has been more fullspeed combat practise as well as boffer. Maelgwin is planning on doing some leather lacing.

Gong Training at Stuart Park: June Training day missed due to FlameTree. July Training had two fighters turn up.

Mica's Rapier Training Days: Planned for regular meetings. The July training day was cancelled due to weather and track work.

FlameTree Ball: A great success. The Kings of Lochac, Ariston and Jochen were in attendance and two royal courts held. Tournament lacked entrants so two fighters (Maelgwn and Jadein) did training and fighting for fun. Jadein (Sanguino Vienni di Vidal Pollacho) was given the prize scroll.

A&S competition - theme was to design a medieval garden. Winner was Isabella Lucia Cellini. Gwenhwyfar was pleased to see the new A&S table runner in use.

Attendance: 44 people (41 adults, 3 minors). For the purposes of event income includes those who paid and did not attend without giving prior notice. Income was \$1210 (not including non member fees). Total expense - \$872.56. Event profit - \$183.61
