Moved by Aoife Nisbet

Motion: Carried

*Item 2: Events and activities*

Midrealms: 6 attended. - archery activities run with 4-5 participants and repair work undertaken.

Feast of Four Winds: cancelled. Refunds in progress - hall to refund us, us to refund people who paid.

NOTE: Question raised on number of attendees required to run a shire meeting. Answer was that it was determined on 3 March 2022, that there needed to be 4 SCA members in attendance, at least two being officers. These officers have to be the seneschal and one other office. In the event that these numbers aren't reached, the meeting can run, but any decisions have to be discussed with the seneschal and officers outside the meeting and ratified at the next meeting.

*Item 3: Officers Report*

Thanks to everyone for getting quarterly reports done!

Reeve - Feast of 4 refunds in progress. New reeve search has to begin as the warrant expires in Feb.

Captain of Archers - Archery started back up at midrealms. Regular 5-6 participants. Combination of 3D targets. Discussion to be raised at next shire meeting about shifting focus from combat arrow creation to target arrows as that seems to be where the interest lies and we are having trouble confirming legal wood options with Kingdom.

Historian - In the process of editing photos but is slow going. Plan to do more during midrealms.

Heavy: on hiatus, as of official capacity.

*Item 4: Action Items / General Business*

- Consideration for a focus on archery and A&S over heavy fighting moving into 2026 as that seems to be where most interest lies currently.

- St Urusla picked up some of the Shire armour. It has been delivered.

FlameTree 2026 - start putting out feelers for people to run kitchen and steward. Consider running dance practices in the lead up. Maybe 1 in T1 and another in T2? There is a small gazebo at the back of the old Bulli council chambers as a possible venue.
