Mishto's A&S - In process of getting risk assessment. Settled on every second month having a saturday day event. The first one is going to be shire tabards. Seeking permission to use shire funds to source materials.

*Item 3: Officers Report*

Reeve - Flame Tree hall hire reimbursement has happened. Bond for hall has also been paid. Shire balance is \$16, 687.69

Webwright - Aelfred has advertised his position. So far no response. Has contacted Kingdom level and has been recommended to fold webwright into Chroniclers position.  
Thoughts/Opinions.

Quartermaster - In recent weeks, I have managed to move along the two old sewing machines that once belonged to St Malachy. One of them was literally broken, but someone wanted it nonetheless! I wished them luck with it.

There has been no interest on Lochac Classifieds for the other items I posted there (large collection of green & black table linens), so I may ask around again before next Festival 2027 if anyone in the Kingdom want them, so ideally they can be moved along at Festival to another group who can use them.

With Flametree Ball coming up, I will most likely be able to bring required equipment to the event. If not, I can arrange to give boxes to the Steward beforehand. I will liaise with Eir to find out what is needed.

*General Business:*

Archery warrant is up. Will contact Anders about it. If other people want to start sussing out successors, list of when warrants are up is in the April minutes.

Next meeting Tuesday 30 June.
